Parish News

Having received directives from the Bishop, for the most part, the changes that come into effect on Monday 14th September will not affect Sunday Mass and other acts of public worship in our two Churches which are Covid-secure. However, individual groups of more than one household or support bubble must not exceed six people!

As we are running on a much lower capacity, I ask that you book in for Mass via email kpd71267@gmail.com or telephone, 015394 43402 by **5pm the day before**, to ensure that there will be space for you! This would be most helpful for me with preparations, especially on weekdays when I have no idea who will be turning up at Mass at the last minute!

Many thanks to Julia Barrett for preparing the new Stewarding and Readers' Rotas.

In the interests of your own safety and that of other worshippers, I respectfully request that you follow the directions of the Stewards for Holy Communion and then LEAVE Church, IMMEDIATELY! A few have taken to taking up places at the back of Church for private prayer afterwards. I am doing my best to comply with the instructions of the Catholic Bishops Conference of England & Wales and ask you to do the same!

Toilet facilities are only available for emergencies or by special arrangement to ensure your safety. Thank you for your kind understanding.

Last Week's Offertory: Mater Amabilis Offertory £293

For the last two weeks, £135 was banked at Mater Amabilis, which included £20 for CAFOD & £12 for the Catholic Trust. Many thanks for your generosity.

This Weekend there will be a retiring collection for Catholic Education Services
Next Weekend's Second Collection is for Home Mission Sunday

Our numbers physically present with us at Mass are naturally down given the current Covid-19 pandemic. If you know of any catholic neighbours who would value a copy of the parish bulletin, please take extra copies from Church, and or if you receive your copy electronically, kindly consider printing an extra copy or two for distribution, as needs be! Its just a nice way to keep everyone in the loop!

Our sick and housebound are always in my thoughts and prayers. I look forward to being able to visit them, as soon as possible with the Sacraments.

Mass is streamed live from St Herbert's on Churchservices.tv, as detailed on the Mass Schedule on this newsletter.
